All the Eligible UG Programs are Accredited by NBA

R.S.M. NAGAR, KAVARAIPETTAI-601 206, GUMMIDIPOONDI TALUK, TIRUVALLUR DIST., TAMIL NADU, INDIA.

To Whom It May Concern,

I am pleased to recommend **Ms. M. Ramya** for admission to your post graduate program. I have known Ramya from 2023 as a student of the Department of Computer Science and Business Systems, R.M.K. Engineering College where I am working as Professor and Head of the Department.

Ramya has demonstrated a model of dedication, intellectual curiosity, and genuine commitment to learning during her undergraduate education. As her Head of Department I had many chances to observe her academic progress through reviews, project evaluations, presentations and departmental activities. She had a good academic record with **CGPA of 7.88** and was actively engaged in academic and technical initiatives outside the classroom.

One of Ramya's strengths is her ability to successfully juggle multiple responsibilities. During her studies she successfully balanced course work, academic projects, internship commitments and assessment deadlines.

Besides academics, she has shown a passion for lifelong learning by pursuing certifications and technical events. She also finished the **HTML Web Development course on Infosys Springboard** and the **Oracle Cloud Infrastructure 2025 Certified AI Foundations Associate certification**. She also took part in paper presentation event at a national level technical fest which further helped her in strengthening her technical knowledge and presentation skills.

From what I have seen of Ramya, I believe she has the academic ability, the persistence and the maturity to undertake advanced studies. She is a responsible, self-motivated and hardworking student, adjusts well to new challenges and always seeks improvement.

I wholeheartedly recommend Ramya for admission into your post graduate studies and wish her all the very best in her future academic and professional pursuits.

Sincerely,

Dr. K. Chidambarathanu, M.E., Ph.D.
